c) Preparatory/accompanying lectures (in the range of a minimum of 5 ECTS):

ModuleNo	Lectures	Lecturer	ECTS
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Total ECTS (minimum of 5 ECTS):			<input type="text"/>

d) Grading:

Evaluation for the assessment of the total grade stemming from the single grades	ECTS
ECTS Total Lectures (see front page, minimum 5 ECTS)	<input type="text"/>
ECTS Practical Activity	<input type="text"/>
ECTS Documentation (minimum 2 ECTS)	<input type="text"/>
ECTS Presentation (minimum 1 ECTS)	<input type="text"/>

ECTS Total	16
-------------------	-----------

Note:

1 ECTS-point is equivalent to 30 work hours.

2. Registration of students

Students:

Registration (Matrikel) Number	Last Name, First Name	Number of semesters	Signature
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Project Begin:

Anticipated project completion:

<input type="text"/>	_____
(Place and Date)	(Examiner's Signature)

Note:

Due to the fact that the Interdisciplinary Project is an integral part of the Master examination, the examiner must be an officially appointed examiner for the application area. Should the examiner not be eligible, special authorization from the Examinations Board will be required or rather an approved eligible examiner must be announced.
